

Dear Dr. Retunda,

1/30/14

Jack and I have had some wonderfully caring and very capable doctors over the years, Dr Retunda, but you are definitely in a class by yourself. To say you continue to impress us would be an understatement.

Who looks forward to having Mom's surgery? Well, we may not look forward to it, but knowing we're in your hands gives us great confidence and peace. And, yes, you actually do look forward to walking into your beautiful office, seeing all the genuine smiles on everyone's face, and being treated like family, "special coffee, warm cookies at 10 a. m. and, to top it off, even lunch for patients with a lengthy procedure.

We just felt the need to put our thoughts on paper and want to thank you for everything, especially for your availability to consult with and treat our dear friend, May our Lord bless you as you have blessed others.

Sincerely,

"May the Lord bless you and keep you.
May the Lord make His face to shine upon you
and be gracious to you.

May the Lord lift up His countenance
upon you and give you peace."

Numbers 6:24-26

The Lord bless you and keep you.
